**Available API Fields**

| API Name | API Resource | Field Description |
|---|---|---|
| CourseID | ApprovedInstructors | Foreign Key to Courses CourseID. Composite Key for ApprovedInstructors with InstructorNumber |
| InstructorNumber | ApprovedInstructors | Foreign Key to Instructors InstructorNumber. Composite Key for ApprovedInstructors with CourseID |
| AssignDate | AssignedInstructors | The date the Instructor was assigned to the class |
| ContractRecvdDate | AssignedInstructors | The date the Instructor's contract was received |
| ContractSentDate | AssignedInstructors | The date the Instructor's contract was sent |
| EventID | AssignedInstructors | Foriegn Key to EventsAndClassess EventID |
| InstructorNumber | AssignedInstructors | Foreign Key to Instructors InstructorNumber |
| Reimbursement | AssignedInstructors | Is the Instructor reimbursed |
| AssocaitionStreetPostalCodePlus4 | Associations | The physical extension of the postal/zip code.  i.e. +4 |
| AssociationBillGroupDefault | Associations | The default billing group for mebership records in this Association |
| AssociationCDBYN | Associations | Is the Association CDB (NAR Central Database) Compliant. |
| AssociationCharterDate | Associations | The charter date for the Association |
| AssociationFax | Associations | North American 7 digit phone number for the Association's Fax Number |
| AssociationKey | Associations | Unqiue identifier for the Association record. |
| AssociationMailAddress | Associations | The street number, direction, name and suffix of the member. If the mailing information differs from the physical address |
| AssociationMailCareOf | Associations | The Care Of for the Association's mailing address. |

| AssociationMailCity | Associations | The City of the Association. If the mailing information differs from the physical address |
|---|---|---|
| AssociationMailCountryCode | Associations | The association's country code for the mailing address. |
| AssociationMailCounty | Associations | The Association's county of the mailing address. |
| AssociationMailPostalCode | Associations | The postal code of the Association. If the mailing information differs from the physical address |
| AssociationMailPostalCodePlus4 | Associations | The extension of the postal/zip code.  i.e. +4. If the mailing information differs from the physical address |
| AssociationMailState | Associations | The State or Province in which the Association is Addressed. If the mailing information differs from the physical address |
| AssociationMLS | Associations | The MLS that this Association is associated with |
| AssociationName | Associations | The Association's Name |
| AssociationPhone | Associations | North American 7 digit phone number for the Association's Phone Number |
| AssociationStateLocalId | Associations | The ID for the Association as known to the State Association |
| AssociationStatus | Associations | The status of the Association; i.e. active, inactive |
| AssociationStreetAddress | Associations | The physical street number, direction, name and suffix of the Association |
| AssociationStreetCareOf | Associations | The Care Of for the Association's street address. |
| AssociationStreetCity | Associations | The physical City of the Association |
| AssociationStreetCountryCode | Associations | The association's physical country code for the street address. |

| | | |
|---|---|---|
| AssociationStreetCounty | Associations | The Association's county of the street address. |
| AssociationStreetPostalCode | Associations | The physical postal code of the Association. |
| AssociationStreetStateOrProvince | Associations | The physical State or Province in which the Association is Addressed |
| AssociationType | Associations | The type of Association (MLS, Local, Not Applicable, etc) |
| AssociationURL | Associations | The Association's website URL |
| AssoicationAreaCode | Associations | North American 3 digit phone area code for the Association's Phone Number |
| AssoicationFaxAreaCode | Associations | North American 3 digit phone area code for the Association's Fax Number |
| ExecutiveOfficerMemberKey | Associations | The EO's Member record key.This is a foreign key relating to the Members resource's MemberKeyNuemric. |
| FaxCountryCallingCode | Associations | North American 1 digit phone Country Calling Code. |
| MLSTranslation | Associations | |
| NationalAssociationId | Associations | The ID for the Association as known to the National Association |
| NationalAssociationStateId | Associations | The state identication value from the National Association |
| PrimaryIndicator | Associations | An indicator showing Primary, Secondary, or Not applicable; i.e. P, S, X. |
| CheckMark | AttendeePackages | |

| AdditionalMailCareOf | Members | |
| AdditionalMailCity | Members | |
| AdditionalMailPostalCode | Members | |
| AdditionalMailPostalCodePlus4 | Members | |
| AdditionalMailStateOrProvince | Members | |
| AdditionalPhoneType1 | Members | The primary phone number type if PhoneType1 has a value of (A)lternate. The type value will map to this Member's record in the PhoneNumbers resource |
| AdditionalPhoneType2 | Members | The secondary phone number type if PhoneType2 has a value of (A)lternate. The type value will map to this Member's record in the PhoneNumbers resource |
| AdditionalPhoneType3 | Members | The tertiary phone number type if PhoneType3 has a value of (A)lternate. The type value will map to this Member's record in the PhoneNumbers resource |

| | | |
|---|---|---|
| AddressOnRosterYN | Members | Is the Member's Address included on Rosters |
| BillingCycle | Members | |
| ChargeAuthorization | Members | |
| FaxCountryCallingCode | Members | Country Calling Code for the Member's Fax Number. |
| InternetMemberServicesId | Members | Member's Id for accessing the association managment software's web portal |
| JobTitle | Members | The title or position of the member within their organization. |
| MemberAddress1 | Members | The street number, direction, name and suffix of the member. |
| MemberAlternateId | Members | This is an alternate id. Usage differs from system to system, inquire for the specific usage for this Association. |
| MemberBillingPreference | Members | Member's perfered billing method |
| MemberBirthDate | Members | The birth date of the Member |
| MemberCity | Members | The city of the member. |
| MemberCommitteeCount | Members | Number of Committees the Member belongs to |
| MemberCountyOrParish | Members | The county or parish in which the member is addressed. |
| MemberDesignation | Members | Designations and certifications acknowledging experience and expertise in various real estate sectors are awarded by NAR and each affiliated group upon completion of required courses. |
| MemberFaxAreaCode | Members | North American 3 digit phone area code for the Member's Fax Number |
| MemberFaxPhone | Members | North American 7 digit phone number for the Member's Fax Number |
| MemberFirstName | Members | The first name of the Member. |

| MemberFullName | Members | The full name of the Member. (First Middle Last) or a alternate full name. |
|---|---|---|
| MemberGender | Members | |
| MemberHomePhone | Members | North American 7 digit phone number for the Member's Home Phone |
| MemberHomePhoneArea | Members | North American 3 digit phone area code for the Member's Home Phone |
| MemberKeyNumeric | Members | A unique identifier for this record from the immediate source. This is the local key of the system. |
| MemberLastName | Members | The last name of the Member. |
| MemberMailCareOf | Members | The Care Of for the member's mailing address. |
| MemberMailOptOutYN | Members | Has the Member opted out of receiving solicitation via Mail. |
| MemberMiddleInitial | Members | The middle name of the Member. |
| MemberMlsId | Members | The local, well-known identifier for the member. This value may not be unique, specifically in the case of aggregation systems. |
| MemberNamePrefix | Members | Prefix to the name (e.g. Dr. Mr. Ms. etc.) |
| MemberNameSuffix | Members | Suffix to the surname (e.g. Esq.,  Jr.,  III etc.) |
| MemberNationalAssociationEntryDate | Members | Date the Member's record was entered with the National Association |
| MemberNationalAssociationId | Members | The national association ID of the member.  i.e. in the U.S. is the NRDS number. |
| MemberNickname | Members | An alternate name used by the Member, usually as a substitute for the first name. |
| MemberPassword | Members | A password that the member whishes to share with other systems. Normal |

| | | | security considerations apply. |
|---|---|---|---|
| MemberPhoneExtension | Members | | Member's Phone Extention |
| MemberPhoneOnRosterYN | Members | | Is the Member's Phone Number included on Rosters |
| MemberPIN | Members | | |
| MemberPostalCode | Members | | The postal code of the member. |
| MemberPostalCodePlus4 | Members | | The extension of the postal/zip code.  i.e. +4 |
| MemberPreferredFax | Members | | Member's preference for which number to recieve faxes at. |
| MemberPreferredMail | Members | | Prefered Mailing Address for the Member. |
| MemberPreferredMedia | Members | | Method the Memebr perfers to receive media by: Email, Mail, or Fax. |
| MemberPreferredPublication | Members | | |
| MemberPrimaryAssociation | Members | | The ID for the priamry Assocaition associated with the Member |
| MemberPrimaryStateLicenseState | Members | | The primary state in which the member is licensed. |
| MemberQuaternaryStateLicenseState | Members | | A quaternary state in which the member is licensed. |
| MemberSecondaryStateLicenseState | Members | | A secondary state in which the member is licensed. |
| MemberStateLicense | Members | | The license of the Member. |
| MemberStateLicenseExpirationDate | Members | | The expiration date for the Member's license. |
| MemberStateLicenseType | Members | | The license type of the Member. |
| MemberStateOrProvince | Members | | The state or province in which the member is addressed. |
| MemberTertiaryStateLicenseState | Members | | A tertiary state in which the member is licensed. |
| MemberTransferDate | Members | | The date the Member transferred from one member office to another |
| MemberUnsolicitedFaxYN | Members | | Does the Member accept unsolicited faxes |
| MemberUnsolicitedMailYN | Members | | Does the Member accept unsolicited Mail |

| | | |
|---|---|---|
| MemberUnsolicitiedEmailYN | Members | Does the Member accept unsolicited EMail |
| MemberVotingPrecinct | Members | Voting Precinct of the Member |
| ModificationTimestamp | Members | Date/time the roster (member) record was last modified. |
| NarJoinDate | Members | |
| OccupationCode | Members | |
| OfficeKeyNumeric | Members | A system unique identifier.This is a foreign key relating to the Office resource's OfficeKeyNuemric. |
| OfficeName | Members | The legal name of the brokerage. |
| PhoneType1 | Members | The primary phone number type (H= HOME, O = Office, A= Alternate). If (A)lternate see AdditionalPhoneType1 for the Actual Phone Type. |
| PhoneType2 | Members | The secondary phone number type (H= HOME, O = Office, A= Alternate). If (A)lternate see AdditionalPhoneType2 for the Actual Phone Type. |
| PhoneType3 | Members | The tertiary phone number type (H= HOME, O = Office, A= Alternate). If (A)lternate see AdditionalPhoneType3 for the Actual Phone Type. |
| WhoModified | Members | The AMS ID of the user who last modified the Member record |
