Subject: Ann Arbor Area Board of REALTORS® Data Share Listing Changes

Dear RETS/API Key Contact:

On Tuesday morning, 9/14/2021, Rapattoni will make modifications to the Ann Arbor MLS's data share. As part of these changes, Jackson Area AOR listings will now be included in feeds that have access to data share listings. There are approximately 1,135 On Market listings and 62,716 Off Market listings that will be added and assigned an MLS Origin value of JACK.

Note that the modification timestamps for these listings will not be updated. Please update your data pulls and processing accordingly.

Sincerely,

Brian Tepfer
