**Subject: Somerset Lake Cumberland (SLCB) LAND Class: 7/25/2017**

Dear RETS Key Contact:

Rapattoni will add a new property type on Tuesday, 7/25/2017, for the following system: Somerset Lake Cumberland (SLCB).

Use the following URL to access the new LAND Property class:

<http://rets172lax.raprets.com:6103/Lexington/SLCB/login.aspx>

There will be major schema changes, so please review the new Metadata.

Please be aware that listings will be converted from FARM to LAND. FARM listings with a Property Subtype of Lot (LOTL) will become LAND listings with a Property Subtype of Lot (LOTL). Once the conversion begins, a LastModifiedDateTime update will be applied to listings that are converted.

Sincerely,

Brian Tepfer  
Executive Vice President & Chief Technology Officer  
Rapattoni Corporation
