Rapattoni RETS

Subject: Rapattoni RETS API Maintenance May 2021

Dear RETS/API Key Contact:

Rapattoni will be performing server maintenance Monday, 5/10/2021, between 10:00 p.m. and 2:00 a.m. Pacific Time.

Please be aware that the following RETS/API servers will be unavailable during some of this time period:

San Francisco MLS
MetroList
BAREIS

In addition, the following fields will have changes to their standard name mapping, this may impact the labels for these fields in the RESO API:

Current Label	New Label
ofFloors	StoriesTotal
StoriesTotal	Stories

Sincerely,

Brian Tepfer
Executive Vice President and Chief Technology Officer
Rapattoni Corporation
