

Dear RETS/API Key Contact:

This is to notify you that setup changes will be installed the evening of **Monday, November 22, 2021**.

Please be advised that the following RESO Data Dictionary changes have been slated to be installed. The listed items may not be included in all feeds, please review your metadata to determine the impact to your feed.

In addition, minor changes to the Metadata-Lookup_Type table, which are not listed here, may be implemented when requested throughout the month. Therefore, RETS/API vendors and third parties who access an MLS's RETS/API data should update their metadata.

The changes correspond to the following MLS customers:

SIBR: Southeastern Indiana Board of Realtors®

The following items will be additions or modifications to the metadata table:

ADDITIONS
